Both parents are required to acknowledge in writing on the enrolment authority form the responsibility for the payment of school fees and charges. In signing the enrolment authority form both parents agree that they are jointly and severally responsible with all other signatories for all fees and charges payable as a result of enrolling their child at the School. Both parents agree that this arrangement continues, irrespective of any changes to the relationship between them and the co-signatory or any court order between them or any child support arrangements or other arrangements between them. No separate or split invoices will be issued.

Siblings are defined as siblings and step-siblings, where the responsibility of the payment of the account is the same. Siblings on any other fee concession such as a scholarship will only attract the sibling concession on the residual amount (i.e. on the net amount payable after all other concessions have been deducted).

Sibling Discounts will not apply to ELC students.

Firbank and Brighton Grammar Schools offer a sibling discount to families with children at both schools. This is currently valued at 5% of the annual tuition fee charged by each school for each full fee paying student. The concession will not apply to students who are in receipt of any other fee concession including internal sibling concession or scholarship. The concession will not apply to ELC students. The concession will apply providing at least one child is enrolled at each school.

Any sibling discount is not retrospective and only applies so long as all fees are paid by the due dates or in accordance with an agreed payment schedule.

The School reserves the right to withdraw or vary the value of the discount at any time.

Scholarships and Bursaries:

Scholarships are awarded by Firbank on the expectation and condition that the student will complete Year 12. If a student's enrolment at Firbank is withdrawn or terminated prior to completion of Year 12, all tuition fees which have been remitted up to that date pursuant to the scholarship will become immediately due and payable by you to Firbank. For the avoidance of doubt, any fees payable in lieu of notice are also payable in addition to this amount.

The School reserves the right to review Scholarships and Bursaries at any time.

Extra-Curricular Activities:

The school reserves the right not to allow a student to participate in optional excursions and activities.

Temporary Absences/Part-Time Attendance:

Requests for Temporary Absences or Part-time attendance must be submitted in writing prior to the relevant Term commencing.

No reduction or remission of fees and charges will be allowable for any absences of less than one full term.

For leave approved by the Principal of one full term or more, the School will charge a holding fee of 13% annual tuition fee for reserving a student's place whilst temporarily absent. All other compulsory charges remain payable without reduction or remission.

At the discretion of the Principal, students may attend the School part-time. Part-time students will be charged pro-rata tuition fees and all other applicable fees and charges will be charged at the full-time or annual rate.

The School offers full School-term boarding. As it is necessary for the School to enter into staffing and catering contracts, a place in the Boarding House is reserved for the whole academic year and there is no reduction in boarding fees for temporary absences.

Withdrawal of a Student:

Parents or guardians are required to provide the school one term's notice in writing prior to the withdrawal of a student in Years Prep to 5, and Years 7 to 12. Parents or guardians are required to provide the school a minimum of 8 week's notice of withdrawal of a student in ELC3. 4 weeks of full fees will be charged if insufficient notice is given.

Parents or guardians are required to provide the school one semester's notice in writing prior to the withdrawal of a student in ELC 4, Years 6 and Boarders. If notice of withdrawal is not given by the first day of Term 1 or any time prior to Term 2, the parents or guardians of a:

a) Year 6 student must pay to the School an amount equal to one half of the annual tuition fee which would have been payable in respect of the child if the child had not been withdrawn from the School

b) ELC 4 student must pay to the School, in addition to any other amounts owing to the School, an amount equal to full 4 weeks fee which would have been payable in respect of the child if the child had not been withdrawn from the School

c) Boarding Student must pay to the School an amount equal to one semester's boarding fee in lieu of notice. Written notice for the following year must be received before the commencement of Term 3 to avoid being liable for a further semester's boarding fees.

Visa Requirements:

The Principal may request parents or guardians to remove a child from the School immediately should the child's Visa conditions or Commonwealth Government requirements be breached.

Except when the express permission in writing of the Principal or Principal's delegate is given, children are not permitted to leave School at the end of a Term until the announced closing time.

If a child is late for School or absent, a note signed by the parent is required. For absences other than illness, there must be prior written request to the Head of School from the parent or guardian. In the case of an illness or injury that requires a child to be absent from School, the School should be informed by phone by 9 a.m. When the child returns to School, the reason for the absence should be confirmed in writing.

No child is allowed to enter the School from a household in which there has been any infectious disease without giving prior notice or without production of a doctor's certificate stating that there is no longer danger of infection.

Participation in organised outdoor activities both within and outside the School grounds is an essential part of a child's education, and a compulsory part of the School curriculum.

Children must attend School functions as and when required.

All students, unless excused by the Principal or Principal's delegate on medical grounds, are required to attend School camp.

Every child admitted to the School is expected to obey all School rules, policies and procedures. Failure to observe the School rules, policies and procedures will render a child liable to disciplinary action and may jeopardise a child's continued enrolment at the School.

Discipline:

The Principal or the Principal's delegate may suspend or expel any student whom the Principal believes is guilty of breaking the general regulations, school rules, policies or any standing instructions, procedures or any law.

The School does not permit corporal punishment.
